

The GSTC junior championships took place over a single weekend in December.

On Saturday 10th December the eights-and-under slugged it out under blue skies and the adoring gazes of their proud parents. Pictured are the four finalists; (left to right) Josh Henson, Ben Will, Harrison Diver and Caspian Milne along with head coach Hamid Hejazi. Congratulations to winner Ben and all the players. Thanks to Robert Campion for organising both this and the nines-and-over competition the following day which was won, co-incidentally, by his own son Jesse. Well done Dad! Well done son!

Don't forget club sessions continue throughout the winter on Mondays and Wednesdays from 7pm and Saturdays from 2pm. What better way to slough off the effects of Christmas excess than a light workout on the courts?

Finally here's an date for members' diaries; Wednesday February 8th will see the highlight of the year - the GSTC Annual General Meeting. Such fun! Happy New Year everybody, and keep on hitting.
